

IFE-VMC Vessel Mounting Clamps

IFE accumulator clamps are the simple, reliable solution for securing hydraulic accumulators on cranes, excavators and other heavy equipment. They also perform well in less demanding applications, like fire extinguishers and oxygen cylinders.

- heavy-duty or light-duty clamps
- 7 styles, in dozens of sizes
- 30mm band width standard, 3mm thick
- zinc-plated mild steel (standard) or galvanized stainless steel
- available with or without EPDM rubber lining (neoprene and silicon also available)
- many sizes in stock
